

# 2020 Electric Bass Angling National Champions have been crowned!

**Kevin Hollasch and Matt Elliott, members of the Baltimore Metro Reservoir Anglers club, are the 2020 Electric Bass Angling National Champions.**

The team of Kevin Hollasch and Matt Elliott has accomplished an astonishing feat. Defying all odds, Matt and Kevin won every single one of the five EBANC events that were held by the Baltimore Metro Reservoir Anglers club. This is a club that had 28 registered teams in 2020, many of whom are reservoir rock stars, with multiple decades of tournament angling experience.

Hollasch and Elliott finished the EBANC season with a perfect 500 championship points. In addition, Kevin and Matt had an average bag weight of 16.782 pounds per tournament win, with a 5 fish limit. Our champions, Kevin and Matt, had a weight dominance of 1.52362, meaning their total weight for the season was more than 50% heavier than the average total season weights of the top 15 teams in their club. This was all accomplished in a club that has never before (in decades of competition) had a team achieve a perfect record. Congratulations Champs for an excellent season!

**Second Place in the 2020 EBANC goes to the team of Aaron Bland and Jason Brown.** Aaron and Jason, fishing in the Dahlonga Jon Boat Anglers, amassed 491 EBANC championship points. Their average weight per tournament was 8.198 pounds, with a large weight dominance of 1.50847 compared to the top 15 teams in DJBA.

**Third Place in the 2020 EBANC was grabbed by the team of Chad Wisner and Mark Onheisor.**

Chad and Mark, members of the Electric Bass Anglers club of Baltimore Maryland, scored 490 EBANC championship points. Their average weight per tournament was 13.038 pounds, with a decisive weight dominance of 1.66903, compared to the top 15 teams in EBA.

The 2020 season was a difficult one for all bass tournament clubs. There was some concern that the annual EBANC may not be possible in 2020. To the previously participating clubs that were unable provide results in 2020, we look forward to your future participation. With determination and a little bit of scheduling flexibility, EBANC was happy to have nearly 400 anglers in this championship year.

Congratulations again to:  
Champions Matt Elliott & Kevin Hollasch,  
Runners-up Aaron Bland & Jason Brown, &  
Third place Chad Wisner & Mark Onheisor.  
Great job! Thanks to all participating clubs.

Our sincere thanks go out to Elco Motor Yachts, LLC for their sponsorship, and for their leadership in providing excellent electric propulsion for the marine industry. Thanks to Baltimore Metro Reservoir Anglers, LLC for hosting the Annual event.
